

January 2006 Special Issue
COLLECTOR'S EDITION of

Astronomy[®] magazine

included in the article

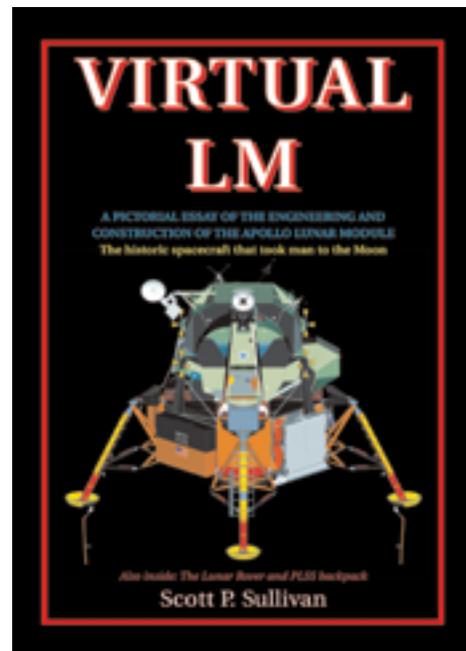

17 must read books for a cloudy night

Virtual LM

by Scott P. Sullivan
(Apogee Books, 2004)

gives readers a detailed tour of the Apollo lunar module (LM).

The accompanying CD-ROM offers the Apollo Operations Handbook and other items, but runs on Windows machines only.

ISBN 1-894959-14-0
